

STEPS

Following the Footsteps of Jesus

STEP INTO SUMMER!

Memorial Day has past and we all know what that means - break out your white pants, open up your pools, and time to head down the shore! Or to the mountains, or summer camp, or your backyard. Where ever the season takes you each year, we are beginning to orient ourselves in that direction. And it is well deserved this summer!

During the coming months, hopefully all of us will get some time to just stop and be, setting down some of the heaviness that this past year has brought. Who knows, maybe we won't have to pick it all up again. During this time of respite, St. Norbert wants to offer some support as you continue to walk with Jesus.

It's easy for our relationship with Jesus to take a back burner in the summer, with the change of schedule, kids out of school, and travel, it can get lost in the hubbub. So we want to help Jesus fit into the hubub! Over the coming weeks, we will be focusing on how to continue to take STEPS during the summer and grow in your friendship with Jesus - even on the beach!

A LITTLE GOES A LONG WAY

Sometimes getting out of the house to Mass each Sunday, even when it's part of the regular routine, can be difficult. Throw a few kids in there and unfamiliar Mass times and you have yourself a potential recipe for chaos. We don't want that for you at all! The sacrifice of one hour can change the whole week, but sometimes it seems like the sacrifice is actually getting there.

While we can't set your alarm or get the kids in the car, we're still looking for ways to lend support in any way we can. That is why we've compiled a list of Mass times at Catholic Churches at popular shore points and are sharing them with you here. It's a small thing, but hope it will help as you take STEPS into SUMMER!
